Indoor Tennis Center

The Lake Oswego Indoor Tennis Center, located at 2900 Diane Drive in Springbrook Park, offers four indoor courts and is open year round for public use. The facility is available for all ages and abilities, and provides a variety of recreational opportunities. These activities help build confidence, reinforce self-esteem and encourage socialization.

Throughout the year, Parks & Recreation offers tennis lessons for players of all abilities, ages four and up. Special activities include City League and USTA play, competitive and social ladders, Jr. Aces, a summer youth program, junior development/match play opportunities, Special Olympics, and daily court play.

Some of our classes require participants to complete a registration form and turn it into the Tennis Center. You can find the form under "supporting documents" below.
