Water Conservation Rebate Programs

The City offers rebates water conserving models of washing machines and toilets.

Washing Machine Rebates

To encourage commercial and residential water customers to replace their washing machines with efficient water-conserving models to save water and money, the City of Lake Oswego is offering a Washing Machine Replacement Rebate of $75. Machines being replaced must qualify for the State of Oregon residential tax credit. Rebates are offered on a first come first serve basis and will continue until funding is exhausted. The Rebate Application can be found at the link below.

In addition, the Energy Trust of Oregon is offering cash incentives for purchasing ENERGY STAR® clothes washers. Click here for more information.

Toilet Rebates

To encourage commercial and residential water customers to replace their old toilets/urinals with efficient, water conserving models, the City of Lake Oswego is offering this rebate program. The Toilet Rebate Application can be found at the link below.

PLEASE READ YOUR TOILET REBATE APPLICATION FORM IN ITS ENTIRETY BEFORE SUBMISSION TO THE CITY. Be sure to include the toilet model number and not the store SKU number. This will assist us in determining the correct rebate dollar amount. Toilets donated to organizations for reuse or resale will disqualify your application for rebates.

Click on the Attachment below to access the Application Form.
