[Child Safety Seats](#)

Child safety seats, properly installed and used, save children's lives. Proper use of a child safety seat can reduce fatal injury by 71 percent for infants and 54 percent for toddlers.

The Lake Oswego Fire Department and the Lake Oswego Police Department hold free quarterly safety seat clinics open to all citizens.

Location: 300 B Avenue, Lake Oswego, OR

-

-

[CERT](#)

The Federal Emergency Management Agency, using the model created by the Los Angeles City Fire Department, began promoting nationwide use of the Community Emergency Response Team (CERT) concept in 1994. Since then, CERT's have been established in hundreds of communities.

◦ [Lake Oswego Amateur Radio Emergency Service](#)

WA7LO

The Amateur Radio Emergency Service (ARES) is a program sponsored by the American Radio Relay League (ARRL), and consists of radio amateur operators who volunteer their time and communications skills in the public interest when disaster strikes.

[read more](#)

◦ [Fire Extinguisher Classes](#)

Fire Extinguishers are only valuable if they are used properly. The Lake Oswego Fire Department provides a free fire extinguisher training program for businesses and groups inside the fire response district.

[CPR Classes](#)

CPR for Individuals

Currently we do not teach a public class on a regular basis. If a citizen group of 10 people or more would like a class, please see the "CPR for Businesses" section below.
