

Fines and Lost Items

The fine for overdue materials is \$0.25 cents per day for each item to a maximum of \$3 for children's materials and \$5 for adult and teen materials. You can pay fines over the phone with a credit card by calling 503-697-6582.

If Lake Oswego Public Library items are lost or returned damaged, a replacement charge is assessed. The replacement charge, minus any overdue fines, will be reimbursed if the lost item is returned within six months of its final due date.

If you are certain that an item which is showing lost on your record was returned to the library, please contact the Circulation Department at 503-697-6582. We will do our best to help resolve the issue.
