

Park Planning

SYSTEM WIDE PLANS

[Parks Plan 2025](#) - Adopted July 2012

PARKS PLAN 2025 is the Park and Recreation Departments overall long range planning document. This document is a community based vision that guides the department for the next 10+ years. To view the plan [CLICK HERE](#)

[Lake Oswego OPEN SPACE PLAN](#) - aDOPTED MARCH 2001

The L.O. Open Space Plan was established to protect and expand those elements that contribute to the natural, cultural and aesthetic health of the community and their perception of Lake Oswego as a “village in a park,” a place of physical beauty and respite from expanding regional urbanization. To view the plan [CLICK HERE](#)

PARK MASTER PLANS

[CANAL AREA MASTER PLAN](#) - Adopted February 2001

The Canal Area Master Plan represents over 67 acres of park land including minor development and natural resource restoration. To view the plan [CLICK HERE](#)

[George Rogers Park Master Plan](#) - Adopted June 2002

George Rogers Park is Lake Oswego's oldest park. The park is a 24 acre park with both natural and developed features. the park also has direct access to the Willamette River. To view the plan [CLICK HERE](#)

[IRON MOUNTAIN BOULEVARD PARK MASTER PLAN](#) - ADOPTED JULY 1984

The Iron Mountain Boulevard Park Master Plan was developed in 1984 for one of 18 parcels that now make up the Iron Mountain Park property. In Mid 2015 the Parks and Recreation Department will be starting a conceptual park planning process to include the 17 additional properties in a restoration, protection and development strategy for the park. To visit the [Iron Mountain Park Concept](#) page [CLICK HERE](#). To view the 1984 [Iron Mountain Boulevard Park Master Plan](#) [CLICK HERE](#)

[Luscher Area Master Plan](#) - Adopted July 2013

The Luscher Area Master Plan provides a community based approach to development of the 151+ acres of park land that make up the Luscher Area. The master plan is an expansion of recreational, natural resource and urban agricultural uses. To view the plan [CLICK HERE](#)

PARKS PLANNING PROJECTS

[Agricultural space plan \(AG PLAN\)](#) - luscher Area master plan - january 2016

The Agricultural Space Plan (AG Plan) is a further iteration of the Luscher Area Master Plan. It defines the agricultural programming spaces and interface areas between agricultural uses and other uses (natural resources, recreation, passive park space) within the properties of the Luscher Area. The first draft is available to review [CLICK HERE](#) to download the document.

[IRON MOUNTAIN Park PLAN](#) - online charrette - starting early february 2016
