

Parks General Information

Lake Oswego Parks & Recreation operates one of the most active parks and recreation programs in the Portland metropolitan area. Among the parks and recreation facilities managed by the department are over 600 acres of developed park property, undeveloped and passive park lands, natural parks and open spaces, including 45 acres of recreation facilities: an Adult Community Center, Indoor Tennis Center, outdoor swim park, an 18-hole Golf Course and practice range, and the Water Sports Center on the Willamette River.

[Natural Areas](#)

In the City of Lake Oswego, there are over 300 acres of natural character parks. These often overlooked parks are vital to our community. They contribute to important habitat for plants and animals, water shed and stormwater management/health, as well as a place for the community to connect to nature.

[Pathways Guide](#)

Pathway Guide

In the spring of 1991, the City began the construction of a recreational loop system of pathways around the community. Each loop is designed to connect neighborhoods with schools, parks, and commercial centers. Funding for the majority of the system was provided by the bond measure approved by the voters in 1990.
