

Becoming A Vendor

Thank you for your interest in becoming a vendor at the Market! Applications for the Market may be submitted online through Manage My Market (www.managemymarket.com) **beginning January 8, 2017**. This website allows vendors to apply for multiple farmers' markets using one profile. Please log into the website, create a profile, and select "apply to the Lake Oswego Farmers' Market." You will be asked a series of questions, including product type, electrical needs, etc.

There is a nonrefundable application fee of \$25 that must be submitted through PayPal. Please follow the link in the application to submit your payment. Applications are not considered complete until the application fee is received. If you would prefer to submit a payment by check, please contact the Market Manager, Jamie Inglis, directly at jinglis@lakeoswego.city to secure disbursement. **All applications are due February 16, 2018.**

In addition, as a prospective vendor, we know you have many questions. To help guide you, we have developed a [Vendor Handbook](#) detailing Market guidelines, setup/load-out procedures and selection criteria. Interested vendors should review this handbook in full. Please note that submission of application does not guarantee acceptance. All Market applicants are juried. Products must be grown, raised, caught, gathered, produced or crafted by the vendor.
