

NRAB Mission Statement

The mission of the Natural Resources Advisory Board is to review trends in air, water, and land quality within the Urban Service Boundary of the Comprehensive Plan, and to assist in the development and implementation of plans and policies to protect, restore and enhance the environmental quality within the Urban Service Boundary of the Comprehensive Plan. The NRAB shall encourage conservation of natural resources and preservation and enhancement of the ecosystems, open space, and natural corridors. The NRAB shall recommend actions to the City Council and, through the City Manager to City departments, to preserve open space through, but not limited to, acquisition, easements, donations, and land use actions.
