

## Crafting Websites

### [Art Bead Scene](#)

Art Bead Scene is an interactive blog with the goal of uniting bead artists of all materials and the jewelry designers who use art beads in their work.

### [Craft: Craftzine.com](#)

Companion website to the print publication *Craft* magazine. The website includes craft projects, listings for craft fairs and other events, podcasts, videos and links to more resources.

### [DIY: Do It Yourself Network](#)

A television and Web network with thousands of do-it-yourself projects ranging from crafts to car care.

### [Instructables](#)

Instructables is a web-based documentation platform where passionate people share what they do and how they do it, and learn from and collaborate with others.

### [Crochet! the magazine](#)

The world's first complete and unabridged online crochet magazine! You'll get free illustrated patterns, a handy stitch guide and crochet news.

### [FreePatterns.com](#)

Over 1500 free craft patterns for crochet, cross-stitch, quilting, crafts, plastic canvas, and knitting. Free registration required.

### [Ravelry](#)

A resource for everything knit and crochet, including free patterns, knitting events, communicating with other knitters, and a place to store information about your projects.

### [KnittingHelp.com](#)

Learn to knit with free online videos!

### [Ultimate Knitting Resource Guide](#)

Whatever reason you have for knitting or wanting to knit, the internet is full of ideas and advice to make the hobby even more enjoyable.

### [Sublime Stitching](#)

This site is great for both expert and novice and includes instructions as well as patterns.

### [Threads Online](#)

This site is from the popular Threads magazine, with articles on materials, machines, tools, patterns, design, fitting, and working with fab...
