surname queries, female ancestors, beginner's genealogy guide since 1999. Other genealogy resources are links, lists of societies, and a variety of tools for online research. See our state genealogy pages for free genealogy databases and genealogy resources for each state.

[JewishGen](#)

JewishGen is committed to ensuring Jewish continuity for present generations and the generations yet to come. Our free, easy to use website features thousands of databases, research tools, and other resources to help those with Jewish ancestry research and find family members. JewishGen's mission is to encourage the preservation of Jewish heritage, allowing anyone with Jewish ancestry to research their roots, connect with relatives, and learn about their family history.

[Oregon GenWeb](#)

See description for US GenWeb below.

[National Archives and Record Administration](#)

The National Archives and Records Administration (NARA) is the nation's record keeper. Of all documents and materials created in the course of business conducted by the United States Federal government, only 1% - 3% are so important for legal or historical reasons that they are kept by us forever. Those valuable records are preserved and are available to you, whether you want to see if they contain clues about your family's history, need to prove a veteran's military service, or are researching an historical topic that interests you.

[National Genealogical Society](#)

The National Genealogical Society, a nonprofit organization founded in 1903, is the premier national society for everyone from the beginner to the most advanced family historian.

[Rootsweb](#)

The Internet's oldest and largest FREE genealogical community. An award winning genealogical resource with searchable databases, free Web space, mailing lists, message boards, and more

[US GenWeb](#)

The USGenWeb Project consists of a group of volunteers working together to provide Internet websites for genealogical research in every county and every state of the United States. The Project is non-commercial and fully committed to free access for everyone.

[US Census Bureau](#)
