

47th Avenue Farm Community Supported Agriculture (CSA)

We're an urban farm dedicated to growing produce for residents nearby, seasonally and sustainably. Our farm is based on a Community Supported Agriculture (CSA) model -- we grow for a set number of harvest shareholders who join us at the beginning of the season.

For nineteen years, our commitment to delicious, sustainably-farmed produce has earned our vegetables a trusted spot in top local restaurants and on the tables of families that want the freshest and best. How about yours?

Summer CSA Pickup is every Thursday from 5-7pm for 24 weeks from May 21, 2015 to Oct 29, 2015.

Choose from two different shares:

The Whole share is designed to feed a family of four. \$990 (Res) / \$1,139 (Non-Res) That's as little as \$5.90 per day.

The Half share fee is designed for smaller families. \$550 (Res) / \$633 (Non-Res). That's as little as \$3.30 per day.
