

Consultations/Home Visits

Consultations

When the family needs assistance our Client Services Coordinator can arrange to meet with family members about issues such as health and well being, safety, care giving, housing, long-term care, and respite services.

Home Visits

The Client Services Coordinator is available to visit the home and help coordinate services and assist families in resolving problems and maximizing independence.

Please call the ACC at (503) 635-3758 for more information.
