

Citizen Request Tracker

[Lake Oswego's Citizen Request Tracker](#) is a tool that can be used to report street lights that are out, potholes, or other concerns listed below to the Operations Division in the City of Lake Oswego. Concerns can also be reported to the City of Lake Oswego using an app for the iPhone, iPad, iPod Touch, or Facebook; search for "Citizen Request Tracker" in the app store. Urgent matters should be directed to (503) 635-0280.

Use Citizen Request Tracker to report:

- Draining, Unplugging or Cleaning Catch Basins.
- Fixing of leaning, missing, or detached Street Signs in a Public Right of Way.
- Investigating of Flooding, Ponding, or Standing Water.
- Pothole Repairs.
- Removing Overgrown Vegetation that Blocks Street Signs.
- Rodents/Rats Sighted near Manholes/Sewer System - Request to Bait Nearby Manholes.
- Street Sweeping.
- Streetlight Repairs.
- Water Pressure Tests.
