

Solar Energy

To learn about solar energy solutions (solar electric and solar water heating) for your home or business, visit [Solar Oregon](#) for technical information, solar services, and more, and [Energy Trust of Oregon](#) for financial incentive information and approved contractors.

Solarize West Linn-Lake Oswego

Solarize West Linn-Lake Oswego was a community-led project that simplified the process of going solar in West Linn and Lake Oswego. **The program deadline closed on October 31.**

The Solarize West Linn-Lake Oswego offering provided free workshops and home evaluations, and discounts to participants through bulk purchasing. Read about one participant's experience here. For more information, visit www.solarizewllo.org (link expired).

The cities of Lake Oswego and West Linn, in cooperation with Clackamas County, received a grant from the City of Portland to support this project. Read about one participant's Solarize experience [here](#) or get an overview in this [Solarize case study](#).
