League Play

There are various tennis leagues in the Lake Oswego area. Learn more about the Greater Portland City League, USTA Leagues, and World Team Tennis below.

Greater Portland City League

Greater Portland City League (City League) is an inter-city league run by a board composed of players from member facilities.

- Season: September through May
- Match days: Tuesday and Wednesday 12:00 PM to 3:00 PM
- Fees: \$10.00 City League fee, plus court fees, which vary by team.
- Participation: Priority is given to current team members. New players sign up on a waiting list by contacting the Tennis Center at 503-635-5550. Selection is made by a team review committee, which meets in May.

USTA Adult Leagues

USTA leagues are a great way to learn and play competitive tennis. Levels of play at the Tennis Center are 2.5 and above.

The Tennis Center does not organize USTA teams. Captains organize their own teams and buy courts from the Tennis Center. Please call the Tennis Center at 503-635-5550 for more information, or to be put on our interest list.

World Team Tennis

World Team Tennis (WTT) is Portland's co-ed outdoor summer league, offered by the Greater Portland Tennis Council. Westlake Park in Lake Oswego is one of many WTT sites throughout the Portland area. WTT is a great way to meet new people and play in public parks. For more information, visit the [Portland WTT website](#), or email pdxwtt@gmail.com.
