Sometimes the biggest musical surprises are quietly burgeoning in our own back yards. Hailing from forested hills and urban landscapes of Western Oregon, Brokentang has snuck into the verdant Northwest acoustic music scene with nary a whisper. But make no mistake; the result is pure acoustic magic.

Brokentang may be a new band with a new name, but its members are seasoned musicians, performers and songwriters with long and impressive resumes, who have teamed up to form this Northwest acoustic supergroup. The instrumental virtuosity and spine tingling harmonies of Brokentang's stage shows are a joy to behold while at the same time inviting the audience into their living room.

Brokentang beautifully blends the traditions of American music with a fusion of Old time, Bluegrass and Classic Country combined with original songs, high caliber-high energy instrumentation and tight vocals
