

Community Shred Day April 27

Community Shred Day will be held this Saturday, April 27, providing Lake Oswego citizens a free and convenient way to safely and securely dispose of sensitive documents such as bank and credit card statements, old tax forms, and pre-approved credit card offers. Plus, all material is recycled after being shredded!

Stop by the **West End Building, 4101 Kruse Way, from 10 a.m. to 1 p.m. (or until the trucks are full, which may be before 1pm)** to dispose of **up to three boxes (case of paper size) or bags of material per household**. Participants are also encouraged to bring canned food for donation to the Oregon Food Bank.

Events details are available [here](#). For questions, please contact Susan Millhauser, Sustainability Coordinator, by [email](#) or at 503-635-0291.
