

Urban Forestry Workshops - Tree Code and Invasive Plant Removal

Please join us for two upcoming Urban and Community Forestry Workshops! There is still time to sign up for this Thursday's workshop on the tree code; please call (503) 635-0290 for free registration.

Understanding the Tree Code: Tree Removal and Protection

Thursday, July 18, 11 am – 12:30 pm

Learn about the City's tree code requirements for tree protection and tree removal permits with Planning Department staff. An ISA Certified Arborist will also be there to talk about tree protection during construction. This workshop includes an indoor presentation and outdoor demonstration.

Invasive Plants & Trees

Saturday, August 10, 10:30 am – 12 pm

Does invasive plant removal seem overwhelming in your yard or neighborhood open space? Join Planning and Parks Department staff to learn which species are known to be invasive locally, and techniques for proper removal and replacement.

Both workshops are FREE and open to the public with pre-registration.

Please call (503) 635-0290 for free registration. Workshops will be held at the West End Building, 4101 Kruse Way. For more information, visit www.ci.oswego.or.us/planning or e-mail nature@ci.oswego.or.us.
