

Urban & Community Forestry's Programs & Events in 2014

In 2014, Lake Oswego celebrates its 25th year as a Tree City USA (TCUSA)! TCUSA is a certification provided by the National Arbor Day Foundation to recognize cities for demonstrating a strong commitment to managing and caring for trees. Over the last 25 years, Lake Oswego has met the four TCUSA standards by maintaining a tree board, a tree ordinance, a minimum \$2 per capita expenditure for tree planting and maintenance, and an annual celebration and proclamation of Arbor Day. There are currently 56 TCUSA communities throughout Oregon. Visit www.arborday.org/programs/treecityusa/ to learn more.

In honor of this benchmark anniversary, [Lake Oswego's Urban & Community Forestry](#) program is celebrating trees with workshops and events every month throughout 2014. Events kicked off with the [Arbor Week Festival on April 6th](#).

2014 Programs & Events:
