Adopt a Plot Program

What is the program?

The program is a cooperative effort between Lake Oswego Parks and Recreation and Citizens. Through an agreement with the City, an individual, community, or group assumes responsibility for growing produce in a plot offered at Luscher Farm to donate to those in need.

Why was the program created?

Adopt-a- Plot offers Citizens the chance to participate in organic gardening at Luscher Farm and to maintain the Demonstration Garden as a teaching tool to educate and address food security issues in our area.

How do we adopt a plot?

Register on-line [here](#) or call 503-675-2549 to secure a plot. Then attend one of the following orientation meetings at the Farm:

Thursday, March 9th and 16th, 6-8p

Saturday, March 11th and 18th, 1p-3p
