*Mondays at 3:00 p.m.* (No Musical Laptime on President's Day, Monday, February 20.)

Chirp is an early childhood music program that focuses on healthy brain development, deepening bonds, and the magic of creative self-expression through music and movement. The program is designed to nurture healthy development through engaging musical activities.

### **Kids Create**

Thursday, January 12: Ice Exploration: Excavate frozen objects.

Thursday, February 9: Balloon Rockets: Watch them soar

Drop in between 3:30-5 pm (lower level)

Creativity is a foundation of all other milestones in educational development. Harnessing creativity at a young age, when brain development and plasticity is at its peak, not only optimizes academic success, but is critical for social-emotional development, critical thinking and problem solving. Join us each month for a new activity!

### **LEGO Club**

Saturdays, January 14 & February 11 10:30-noon (lower level)

Drop in every second Saturday to imagine, build and create. Each month we'll pick a theme to build upon and creations will be displayed for all to see.

Recommended for grades k-5

### **Family Movie Nights**

Mondays, December 19 & February 13 at 6:00-8:00 P.M., lower level

We'll provide the big screen, cozy blankets to sit on, and snacks. (We're prohibited by our movie licensing agreement from using the movie titles in our publicity. We've included clues below. Feel free to visit or call the Library to find out the movie title.)

Monday, December 19

Have you ever wondered what those adorable furry creatures, we call PETS, do when you're not home? They may have a SECRET LIFE that you had no idea about!

Monday, February 13

At night a GIANT, who also happens to rather BIG and FRIENDLY wanders the city, if you keep your eyes open, he may take you along on an adventure!
