

Foot Golf

Lake Oswego Public Golf Course is proud to add FootGolf to our historic and beautiful 18 hole course!

What is FootGolf?

Footgolf is a hybrid of golf and soccer. Take the general concept, rules, and etiquette of golf and replace that bag of clubs with a size 5 soccer ball and your feet. Footgolfers try to advance their ball from the tee box into a 21" cup in the fewest kicks possible. Lowest score wins. See full rules [HERE](#)
