

Lake Oswego History File

The History File collection consists of newspaper clippings, documents, and ephemera that relate to Lake Oswego and its residents. It's a great resource for learning more about local people, places, and events. Click [here](#) for an index.

Patrons are encouraged to visit the library to access the History File. Librarians can assist patrons with viewing materials, which are stored in locked file cabinets. For more information, call 503.675.2540, [email](#), or visit a reference librarian on the second floor of the library.
