LAKE OSWEGO CITY HALL, CITY COUNCIL CHAMBERS
6 p.m. to 8 p.m.

Concept Design to be Presented!

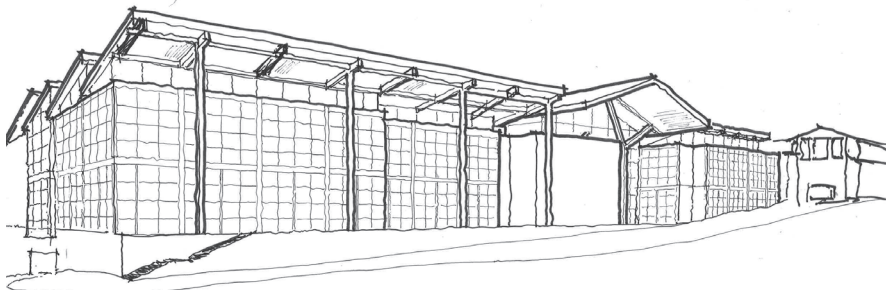

The architects are seeking your feedback on the proposed design of the character of the building and the public spaces. The prior public forums gathered input on the overall design direction, site plan, sustainability features, and the building massing. Those ideas and comments from the public are being incorporated into the concept design that will be presented on December 14.

The forum is open to everyone and will be held in the City Council Chambers in City Hall starting at 6 p.m.

We hope to see you there!
