

SUMMER CONCERTS

Alcohol may be brought into the Plaza and consumed up to 1 hour prior to concert and during concert. Food, beverages, and alcohol may be purchased from our vendor on Sunday evening for the Moonlight & Music series, but please do not take it outside of the Plaza. We love your pets and ask that you be considerate of your neighbors by making sure your pets are welcome guests and on leashes both before you sit down and while you are enjoying the music.
