

# SUMMER CONCERTS

Westlake Park officially opens each concert day at 3:30 p.m. Please stay with your blankets or chairs, because if unattended, they will be removed. Concerts are held rain or shine. Seating is on the grass; beach/sand chairs or blankets for seating are encouraged. Regular height lawn chairs will be asked to move to the side or rear. Food and beverages are available for purchase. Alcohol may be enjoyed in Westlake Park one hour prior to and during the concerts, but please do not leave the park with open containers. We love your pets and ask that you be considerate of your neighbors by making sure your pets are welcome guests and on leashes both before you sit down and while you are enjoying the music.

Westlake Park is located at Melrose and Bunick, between Fosberg and Westlake, just off Kruse Way. Your respect for the park neighbors is always appreciated.
